

THE CENTERS FOR QUALITY TEACHING AND LEARNING

Helping Teachers Reach Every Student, Every Day

Arkansas New and Emerging Teacher Institute ADWE CTE Teacher Certification Process

The Arkansas New and Emerging Teacher Institute is scheduled in three flexible phases. You may start with any phase. You are not required to start with Phase One. You may also start with any of the three elements of Phase One. This is designed to help meet your needs and schedule.

PHASE ONE

Preparing for Success in the Teaching Profession

10 Hours Online – During the school year

- * Characteristics, roles and responsibilities of successful educators
- * Understanding education standards and the role of curriculum and instruction

Designing Effective Instruction for Student Achievement

10 Hours Online – During the school year

- * Planning instruction, practice using planning formats, presentation strategies
- * Proactive classroom management and professional literature for self-improvement

Becoming a Productive Member of the School Community

10 Hours Online – During the school year

- * Relationships with other educators; professional learning communities
- * Programs that work; organizing the classroom; personal professional growth

PHASE TWO

QTL Summer Institute I – “Foundations in Quality Teaching”

30 Hours Face to Face – June

- * Research-based instructional practices; engaging students; differentiation
- * Effective use of technology in teaching; meet student learning needs

PHASE THREE

QTL Summer Institute II – “Quality Teaching in the Learning Centered School”

30 Hours Face to Face – June

- * Individual instructional practices; reach every student every day
- * Increase student learning; collaboration to develop highly effective instruction

OPTIONAL

Preparing for the Praxis

6 Hours Online – During the school year

ADDITIONAL CHARGE: \$125.00

- * Identify resources and collaborators
- * Collaboration; plans; and assessment
